

2018

EXPLORER

Go Further

OUTGOING.

Dynamic new grilles give Explorer a fresh attitude for 2018, while Intelligent 4WD with Terrain Management System™¹ continues to help you go everywhere in style. Ford Explorer. Always Unstoppable.

REFINED.

Seating for up to 7 people comes in a rich range of choices, including new Medium Stone cloth or leather¹ trim. Plus, the PowerFold[®] 3rd-row seat¹ and hands-free foot-activated liftgate¹ make it easy for you to load your gear.

CONFIDENT.

Powered by your choice of 3 engines. Guided by a suite of smart driver-assist technologies! Backed by a long list of safety and security features. Explorer is ready to help you tackle all sorts of challenges.

CONNECTED.

Enjoy the remarkably responsive performance of SYNC[®] 3^{1,2} voice-activated technology, while your family and friends connect up to 10 devices to the new 4G LTE Wi-Fi hotspot.^{1,3} Explorer is made for modern adventurers.

**#1-SELLING SUV
OVER THE LAST
27 YEARS⁴**

2018 Explorer | ford.com

XLT. Blue. XLT Sport Appearance Package. Available equipment. ¹Available feature. ²Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ³Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 2 in "Build Your Explorer" section of Specifications and your Ford Dealer for details. ⁴Based on total cumulative OEM reported U.S. sales for all SUVs from CY 1990 through CY 2016.

POWER UP.

3.5L Ti-VCT V6

290 horsepower. Matched to a 6-speed SelectShift® automatic transmission that's standard with all engines. Twin independent variable camshaft timing (Ti-VCT) allows intake and exhaust valves to adjust independently for precise valve timing control, which helps optimize performance on every trip.

*EPA-estimated rating (FWD):
17 city/24 hwy/20 combined mpg¹*

2.3L ECOBOOST®²

280 horsepower.³ 310 lb.-ft. of torque.³ This twin-scroll turbocharged, direct-injection engine has quick turbine spin-up for responsive acceleration performance. It's got the power to help you make plenty of memories.

*EPA-estimated rating (FWD):
19 city/27 hwy/22 combined mpg¹*

3.5L ECOBOOST

Best-in-class⁴ V6 horsepower – 365 hp.³ Plus a robust 350 lb.-ft. of torque.³ The standard engine on Sport and Platinum empowers you to say yes to any road trip, and lead the way, too.

*EPA-estimated rating (4WD):
16 city/22 hwy/18 combined mpg¹*

TAKE OFF.

Intelligent 4WD with Terrain Management System™¹ helps Explorer give you the seamless shift-on-the-fly confidence to get in and go.

NORMAL

Normal is ideal for everyday driving on wet or dry paved roads. Hill Descent Control™^{1,2} (center button) regulates your speed on steep declines, so you can concentrate on maneuvering.

MUD, RUT

Backroads can get muddy after a good rain. In this mode, powertrain torque is a bit more aggressive, limiting transmission upshifts and letting the wheels spin to get you through the thick stuff.

SAND

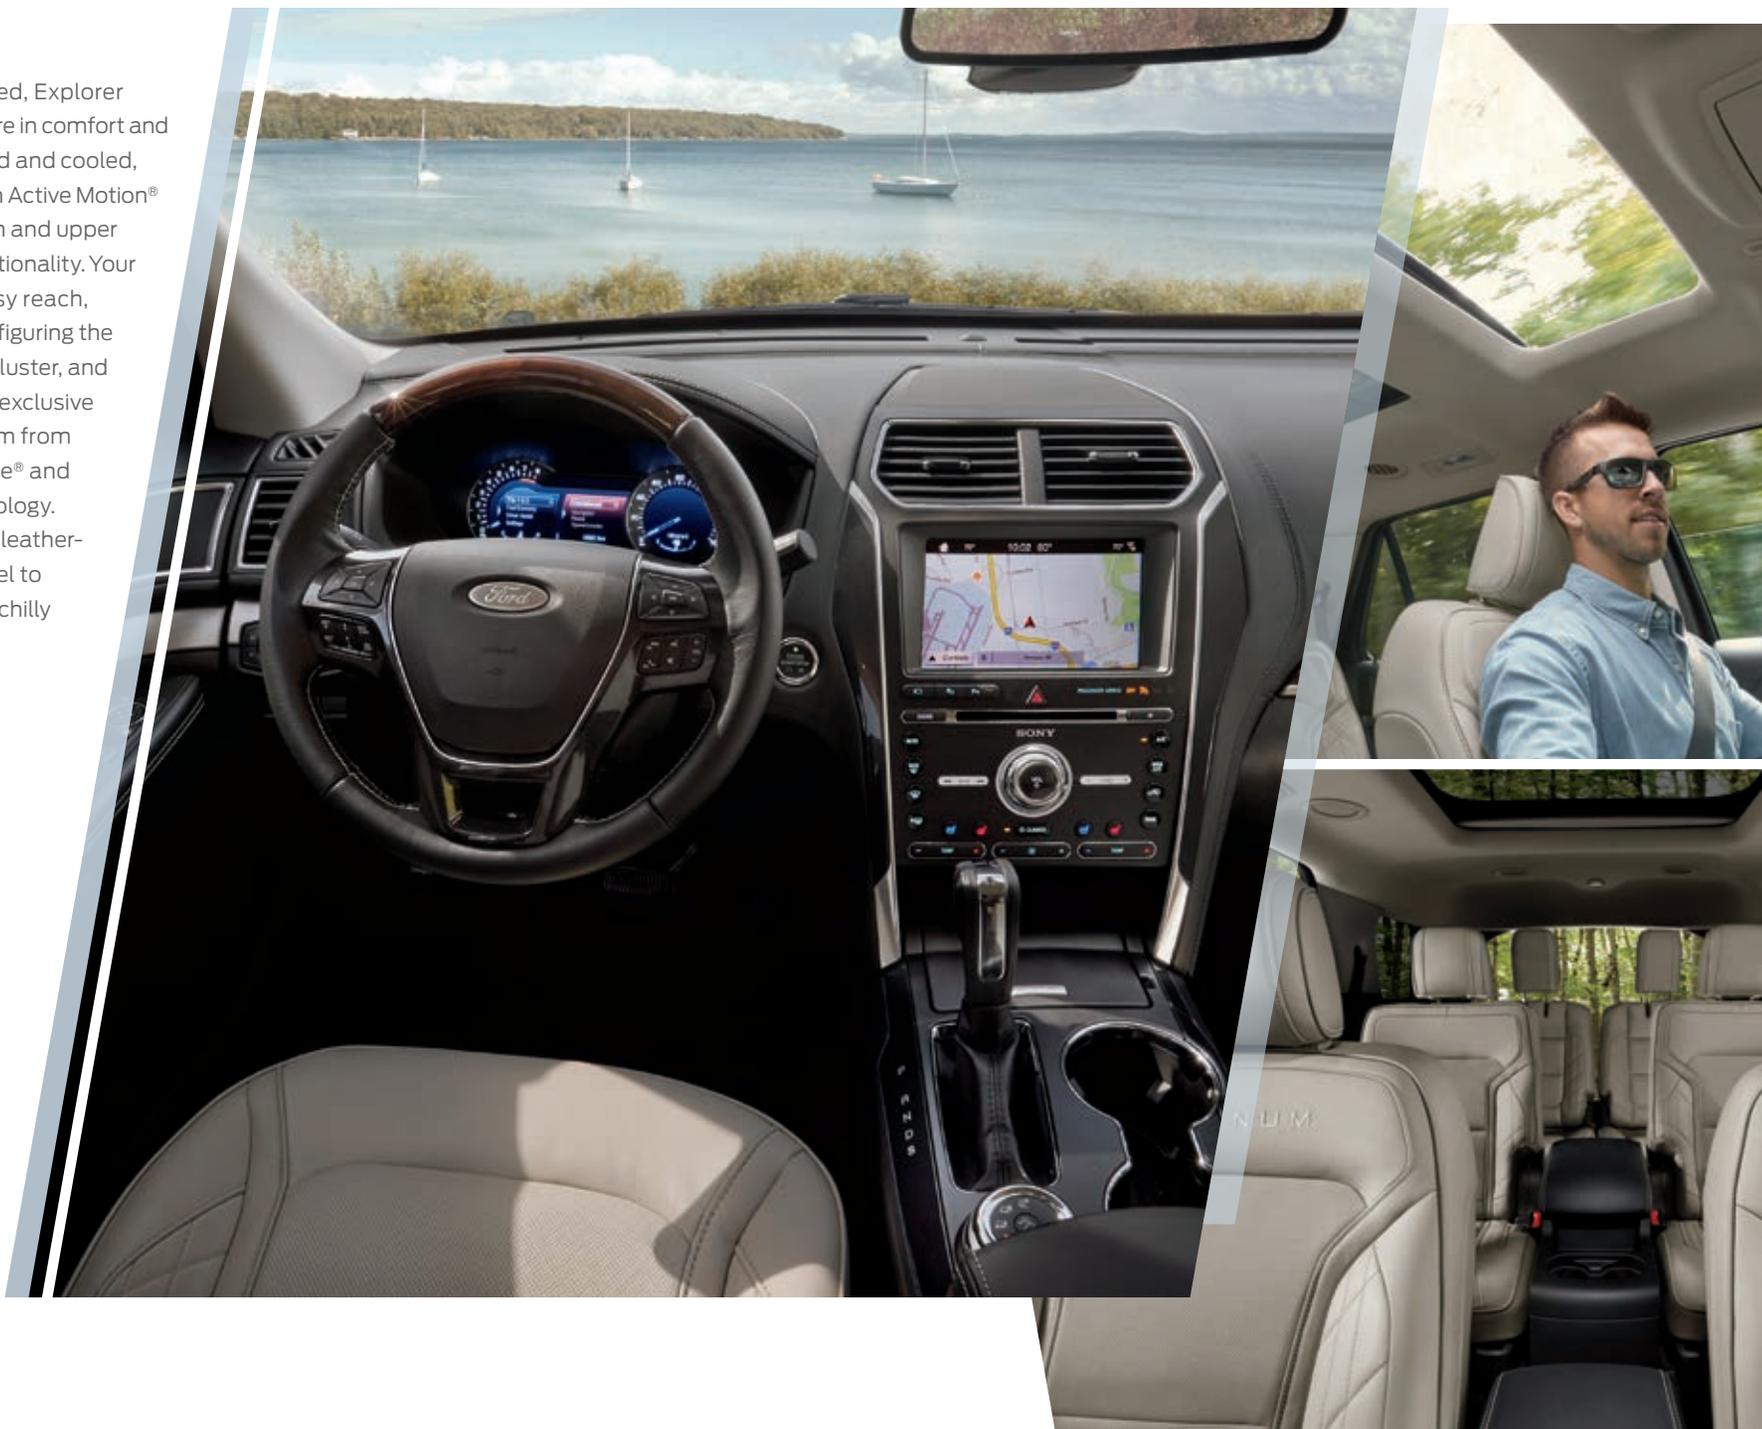

A day at the beach or on the dunes is a blast in a vehicle that takes the soft stuff in stride. In this mode, more aggressive throttle progression and holding gears longer help transfer optimized torque to the wheels. They can spin aggressively to maintain momentum and keep the fun going.

SNOW, GRAVEL, GRASS

Getting off the beaten path makes life interesting. When you go there in this mode, the transmission delivers earlier upshifts and less aggressive engine torque distribution, limiting wheelslip to help improve traction on tricky terrain. All-season adventures await.

GO PLATINUM

Wherever you're headed, Explorer Platinum takes you there in comfort and style. Front-row, heated and cooled, multicontour seats with Active Motion® offer you lumbar region and upper leg area massage functionality. Your controls are within easy reach, including those for configuring the all-digital instrument cluster, and adjusting the industry-exclusive 500-watt Audio System from Sony® with Clear Phase® and Live Acoustics™ technology. There's even a heated, leather-wrapped steering wheel to help you master those chilly morning starts.

TAILORED TO YOU AND YOUR CREW.

PAMPER THOSE IN ALL 3 ROWS

Even if you're going tent camping, you can still travel in luxury. Explorer Platinum features premium leather-trimmed seats with micro-perforated inserts and quilted bolsters, real aluminum and Brown Ash Swirl wood appliqué, and even quilted leather-wrapped door inserts. With the most standard 2nd-row head room in its class, Explorer spreads the love to all its passengers.

SEE MORE OF THE OUTDOORS

You can retract the power sunshade to enjoy the views through the twin-panel moonroof,¹ plus vent or fully open the front panel, all with push-button ease.

CONSIDER YOUR 2ND-ROW OPTIONS

To seat up to 7, you'll want the 2nd-row 60/40 split-fold-flat seat with recline. On Platinum, this seat also features heated outboard positions and a fold-down armrest with cupholders. When you select the power-assist folding 2nd-row heated bucket seats,¹ you can take advantage of a pass-through to the 3rd row, or add a roomy 2nd-row console¹ for extra storage space.

POWER YOUR ESSENTIALS

You can charge mobile phones and tablets with up to 2 smart-charging USB ports¹ in the front row, and 2 more in the 2nd row. These ports are nearly 2 times faster than previous-generation charging USB ports. The covered 110V/150W AC power outlet¹ in the 2nd row can power your laptop, cooler or other small devices equipped with a household-style plug.

FORDPASS™ SMARTPHONE APP³

Your personal journey assistant

SYNC 3

STAY CONNECTED ON THE MOVE.

Imagine controlling calls, music and more with just a touch and your voice. SYNC® 3^{1,2} lets you keep your hands on the wheel while it quickly responds to your spoken requests. Or use the responsive touchscreen in the center of your instrument panel to access its many helpful features. Bring the power of Siri® into Explorer with Siri Eyes Free and your paired iPhone®. The system also features 2 smart-charging USB ports to help keep your devices powered up and ready to go.

2018 Explorer | ford.com

¹Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ²Available feature. ³Available via download and compatible with select smartphone platforms. Learn more at fordpass.com. Message and data rates may apply. ⁴Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 2 in "Build Your Explorer" section of Specifications and your Ford Dealer for details. ⁵Requires phone with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ⁶Commands may vary by phone and AppLink software. ⁷Certain restrictions, 3rd-party terms, or message and data rates may apply. See footnote 4 in "Build Your Explorer" section of Specifications and your Ford Dealer for details.

TOW IT.

HEAD FOR THE WATER

With the 3.5L Ti-VCT V6 or 3.5L EcoBoost^{®1} engine, Explorer can tow up to 5,000 lbs. of fun.² So it's time for your dream boat or camper to become a reality. And if you're a towing novice, Explorer can help put you at ease. A standard rear view camera helps you see what's behind your vehicle³ and makes hooking up a trailer simple. Plus, trailer sway control automatically reduces engine speed and selectively applies the brakes if trailer sway is detected.⁴

MAINTAIN YOUR BALANCE

AdvanceTrac[®] with RSC[®] (Roll Stability Control™)⁴ enhances vehicle stability in a wide range of conditions. By selectively applying individual brakes and modifying engine power, the system helps keep all 4 wheels firmly planted. In addition, Curve Control⁴ helps slow the vehicle down if you're heading into a curve too quickly.

STOW IT.

OPEN UP TO ADVENTURE

There's a good chance your hands are going to be full when you're loading the cargo area. With the Intelligent Access¹ key fob on you, simply kick your foot under the rear bumper and let the hands-free foot-activated liftgate¹ do the work. The liftgate's fully opened height can be programmed to your preferred position. Plus, a new rear bumper step pad is standard.

ADAPT IT TO YOUR PLANS

The versatility doesn't stop there. With all seats occupied, there's a generous 21 cu. ft. of cargo space behind the 3rd row.² Fold down the PowerFold[®] 3rd-row seat¹ with the touch of a button, opening up 43.9 cu. ft. of space. Or create a flat load floor by folding both the 2nd- and 3rd-row split-folding seats to pack up to 81.7 cu. ft. of gear.

The new Ford Safe and Smart™ Package makes it easy to get all of these helpful technologies on your Explorer.

WHEN CHANGING LANES

BLIS® (Blind Spot Information System) with cross-traffic alert^{1,2,3} helps warn you if it detects a vehicle in either of your blind spots while driving forward, or approaching from the sides while backing up slowly.

BETWEEN THE LINES

Drifting out of your lane? The Lane-Keeping System^{1,2} can help. By applying steering wheel torque, and even alerting you with gentle steering wheel vibration, it helps direct you to return to your lane.⁴

IN TRAFFIC

Adaptive cruise control & forward collision warning with brake support^{1,2} helps maintain your choice of speed and preset gaps from the vehicle in front of you. It can also alert you to a potential collision. If one is detected, the system flashes a warning, sounds an alarm, and can pre-charge the brakes to provide full responsiveness when you do brake.

BY PLANNING AHEAD

When you have the systems turned on, the rain-sensing windshield wipers^{1,2} and auto high-beam headlamps¹ can activate themselves automatically as needed.

STAY ALERT.

PARK IT.

WITH A FRIENDLY ASSIST

Whether you want to back into a perpendicular spot or parallel park, enhanced active park assist¹ can help. The system uses ultrasonic sensors to identify a parking space that's just the right size, then steers Explorer into it. All you do is follow on-screen prompts, and operate the accelerator, brake and gear shifter as needed. It can steer the vehicle out of a parallel spot, too. A front 180-degree camera¹ helps out with visibility, and allows you to see around corners in certain circumstances. So you can park with confidence, and get on with the fun.

GO SPORT.

EMBRACE THE SCENIC ROUTE

Last-minute road trips. Unexpected detours. Make the most of life's interesting twists in Explorer Sport. With its 365-horsepower¹ 3.5L EcoBoost[®] engine, fully independent sport-tuned suspension and Intelligent 4WD with Terrain Management System,[™] Sport welcomes any chance to demonstrate its capability. New quad exhaust tips and 20" premium Tarnished Dark-painted aluminum wheels,² combined with high-gloss Black exterior accents and more, deliver a signature look. Inside, an Ebony Black leather-trimmed interior with Red accent stitching let's everyone know that Explorer Sport is ready for action.

EXPLORE WITH CONFIDENCE.

ENHANCE YOUR PEACE OF MIND

The security of 7 standard airbags includes the Safety Canopy® System with rollover sensing and 3-row side-curtain airbags. You can also opt for industry-first 2nd-row outboard inflatable safety belts.¹ The Individual Tire Pressure Monitoring System² lets you check pressure in each tire, and notifies you if any are low. To help the driver stay focused, convenient MyKey® technology allows you to program keys with reminders to drive at appropriate speeds, keep the audio volume low and much more. Plus, power, heated sideview mirrors are now standard on every Explorer. You can travel assured that a sophisticated suite of safety features accompanies you on every journey in your Explorer.

STANDARD FEATURES

Mechanical

4-wheel disc Anti-Lock Brake System (ABS) with panic brake assist and electronic brakeforce distribution (EBD)

Compact spare wheel and tire

Electric power-assisted steering

Front and rear stabilizer bars

Intelligent Oil-Life Monitor[®]

Suspension – Independent MacPherson strut front; independent multilink rear

Trailer sway control

Driver-Assist Technology

Autolamp automatic on/off headlamps with rainlamp feature

Hill start assist

Seating

1st-row bucket seats with 4-way adjustable head restraints

2nd-row 60/40 split fold-flat seat with fore/aft adjustable 40 section

3rd-row 50/50 split fold-flat seat

Interior

1st-, 2nd- and 3rd-row dome/map lights

1st-row full center console with armrest and storage

1st-row overhead console with sunglasses holder

12V powerpoints (2 in 1st row, 1 in 2nd row and 1 in rear cargo area)

Accessory delay for power features

Adjustable driver and front-passenger sun visors with covered and illuminated vanity mirrors

Air conditioning with auxiliary rear controls

Cabin air filter

Cargo tie-down hooks (4)

Cargo net hooks (4)

Cruise control

Cupholders (10)

Front-passenger (1) and B-pillar (2) grab handles

Illuminated Entry System

Leather-wrapped shifter knob

Locking glove box

Power door locks with autolock

Power windows with 1st-row one-touch-up/-down feature

Steering wheel-mounted cruise, audio and 5-way controls

Exterior

Black bodyside cladding and wheel-lip moldings

Body-color rear spoiler

Body-color upper bumpers with black lowers

Configurable daytime running lamps

Easy Fuel[®] capless fuel filler

Halogen reflector high-beam headlamps with LED low-beams

LED taillamps

Liftgate window defroster

Roof-mounted antenna

Privacy glass (rear doors, rear quarter windows and liftgate window)

Speed-sensitive, variable-intermittent windshield wipers with washer;

2-speed rear wiper with washer

Safety & Security

Personal Safety System[™] for driver and front passenger includes dual-stage front airbags¹, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver's seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System

Airbags¹ – Front-seat side, glove-box-door-integrated knee, and Safety Canopy[®] System with side-curtain airbags¹ and rollover sensor

AdvanceTrac[®] with RSC[®] (Roll Stability Control[™]) and Curve Control

Battery saver with headlamps-off delay

Belt-Minder[®] front safety belt reminder

Child-safety rear door locks

Height-adjustable shoulder safety belts for 1st row

Individual Tire Pressure Monitoring System (excludes spare)

LATCH – Lower Anchors and Tether Anchors for Children (2nd-row outboard and 3rd-row passenger-side seating positions)

MyKey[®] technology to help parents encourage responsible driving

Rear view camera with backup assist grid lines and washer

Remote Keyless Entry System with integrated keyhead transmitter remotes (2)

SecuriLock[®] Passive Anti-Theft System

SOS Post-Crash Alert System[™]

New Vehicle Limited Warranty. We want your Ford Explorer ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

Ford Protect[™] Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

Insurance Services. Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

Ford Original Accessories. They're warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.
